

## QUESTIONS DIRECTED AT THE INTERVIEWER

How did this position open up, was it company growth, resignation etc.?

What is the structure of the company, where would I fit in here?

Is there room for me to grow within this company?

Who would I be dealing with on a daily basis, division, external companies etc.?

What is the company's goal in the next 5 years?

How has the company performed over the last 5 years?

Is the position I'm applying for extremely challenging?

How does the company measure performance?

Before I start working, would I have to do training for this position?

Would you like me to further my studies while being employed here?
